

FY2008 TNB/JEPIC Seminar in Malaysia

JEPIC has been conducting bilateral seminar program with electric utilities in ASEAN Countries under strong support from electric power companies in Japan. The purpose of the program is to strengthen their business infrastructure such as technical basis, management method and human resources development.

From fiscal 2006, JEPIC has cooperative relation with Electricite Du Laos (EDL) & Electricite Du Cambodge (EDC) for local seminar in association with Tenaga National Berhad (TNB) in Malaysia & EGAT Public Company Limited in Thailand. The local seminar is held in Malaysia or Thailand alternately every year. In the local seminar, the host utility is in charge of lecturers together with electric power company in Japan.

JEPIC & TNB, host utility in this year, held the 3rd Seminar in Malaysia on November 2008, which outlines are shown below;

1. Date : November 17~21, 2008
2. Venue : TNB Headquarters & University Tenaga National at Kuala Lumpur
3. Theme : Improvement of Power Quality
4. Mission Member : 2 lecturers from Kansai Electric Power Co., Inc.
1 lecturer from Tenaga National Berhad
2 secretaries from JEPIC
5. Attendance : 14 from EDL, EDC and TNB
