

July 2009
JEPIC-ICC

FY2009 Seminar in the Philippines

JEPIC has been conducting bilateral seminar program with electric utilities in ASEAN Countries under strong support from electric power companies in Japan. The purpose of the program is to strengthen their business infrastructure such as technical basis, management method and human resources development.

JEPIC and Philippine Power Utilities (NPC, TransCo) launched their bilateral cooperation program on 1991 by holding the first seminar in Japan. The first visiting seminar in the Philippines was carried out on 1992. After the initiation, JEPIC and Philippine Power Utilities have been continuing annual seminar in Japan as well as in the Philippines.

JEPIC and Philippine Power Utilities held the 18th Seminar in the Philippines on July 2009, which outlines are shown below;

1. Date : July 20~23, 2009
2. Venue : Olongapo City
3. Theme : Load Flow Analysis
4. Mission Member from Japan :
 - 2 lecturers from The Tokyo Electric Power Co., Inc.
 - 2 lecturers from The Chugoku Electric Power Co., Inc.
