

## **FY2010 Seminar in the Philippines**

JEPIC has been conducting bilateral seminar program with electric utilities in ASEAN Countries under strong support from electric power companies in Japan. The purpose of the program is to strengthen their business infrastructure such as technical basis, management method and human resources development.

JEPIC and Philippine Power Utilities (NPC, TransCo) launched their bilateral cooperation program on 1991 by holding the first seminar in Japan. The first visiting seminar in the Philippines was carried out on 1992. After the initiation, JEPIC and Philippine Power Utilities have been continuing annual seminar in Japan as well as in the Philippines.

JEPIC and Philippine Power Utilities held the 19<sup>th</sup> Seminar in the Philippines on April 2010, which outlines are shown below;

1. Date : April 19~22, 2010
