

## Seminar in Indonesia on “Power Quality” 2010

November 2010, International Cooperation Center (ICC), JEPIC

JEPIC has been conducting seminar programs with electric utilities in ASEAN Countries under strong support from electric power companies in Japan. The purpose of the program is to strengthen their business infrastructure such as technical basis, management method and human resources development.

JEPIC and PLN, the Indonesian electric power corporation, launched cooperation program on 1991 by holding the first seminar in Japan. The first visiting seminar in Indonesia was carried out on 1992.

JEPIC and PLN held the 19<sup>th</sup> seminar in Indonesia on November 2010, which outlines are shown below;

Date of the Seminar:	2 to 4 November, 2010
Seminar Place:	Jakarta City, Indonesia
Theme of the Seminar:	Power Quality
Mission Member from Japan:	Four experts from Tokyo EPCo. and Chubu EPCo. Two secretaries from JEPIC

Fifty PLN persons, including high executives in charge of human resource development and experts on distribution and transmission department, attended the seminar and joined fruitful presentation and discussion.
