

**Seminar in Myanmar on
“Design and Construction Management of Embankment Dam” 2012**

August 2012, International Cooperation Center (ICC), JEPIC

JEPIC has been conducting bilateral seminar program with electric utilities in ASEAN Countries under strong support from electric power companies in Japan. The purpose of the program is to strengthen their business infrastructure such as technical basis, management method and human resources development.

MOEP No.(1), MOEP No.(2) and JEPIC launched their bilateral cooperation program on 2005 by holding the first seminar in Japan. The first visiting seminar in Myanmar was carried out also on 2005. After the initiation, JEPIC have been continuing annual seminar in Japan as well as in Myanmar.

In cooperation with Kansai EPCo. and Electric Power Development Co.(J-POWER), JEPIC and MOEP No.(1) held the 8th seminar in Myanmar in August 2012. Union Minister of MOEP1 U Zaw Min, Deputy Minister U Myint Zaw and following more than 200 people attended in the opening ceremony of the seminar. Also, thanks for the cooperation of JEPIC which has been conducting since 2005 were presented by the Union Minister of MOEP1 opening remarks.
