

## JEPIC Seminar in Japan for Cambodia, Laos 2013

JEPIC has been conducting bilateral seminar program with electric utilities in ASEAN Countries under strong support from electric power companies in Japan. The purpose of the program is to strengthen their business infrastructure such as technical basis, management method and human resources development.

JEPIC has invited participants from ASEAN Countries since 1991 (ASEAN Seminar in Japan), and sent lecturers to ASEAN Countries since 1992 (Local Seminar).

We held the seminar for Cambodia and Laos which outlines are shown below;
