

Seminar in Indonesia on “Asset management of distribution” 2014

September 2014, International Cooperation Center (ICC), JEPIC

JEPIC has been conducting bilateral seminar program with electric utilities in ASEAN Countries under strong support from electric power companies in Japan. The purpose of the program is to strengthen their business infrastructure such as technical basis, management method and human resources development.

JEPIC and PLN, the Indonesian electric power corporation, launched their bilateral cooperation program on 1991 by holding the first seminar in Japan. The first visiting seminar in Indonesia was carried out on 1992. After the initiation, JEPIC and PLN have been continuing annual seminar in Japan as well as in Indonesia.

In cooperation with Kansai EPCo and Chubu EPCo, JEPIC and PLN held the 23rd seminar in Indonesia on September 2014, which outlines are shown below;

Date of the Seminar: 1st – 3rd September, 2014
Seminar Place: Jakarta City, Indonesia
Theme of the Seminar: Asset management of distribution
Mission Member from Japan: Four experts from Kansai EPCo and Chubu EPCo
Two secretaries from JEPIC

76 PLN persons of Distribution Engineers and Training Instructors attended the Seminar from many region of Indonesia.

After the presentation, we made the fruitful discussion and share opinion as to Asset management of distribution in each country.
