JEPIC

## **JEPIC Seminar in Indonesia on “Transmission Enterprise Asset Management” 2015**

JEPIC has been conducting bilateral seminar program with electric utilities in ASEAN countries with strong support from electric power companies in Japan. The purpose of the program is to strengthen their business infrastructure such as basic and expertise technologies, management and human resources development.

JEPIC and PLN, the Indonesian electric power corporation, launched their bilateral cooperation program in 1991 by holding the first seminar in Japan. The first visiting seminar in Indonesia was carried out in 1992. After the initiation, JEPIC and PLN have been continuing annual seminars in Japan as well as in Indonesia.

In cooperation with Kyushu Electric Power Company and Electric Power Development Company, JEPIC and PLN held the 24<sup>th</sup> seminar in Indonesia in September 2015, as outlined below;

- Date of the Seminar : September 14<sup>th</sup> to 16<sup>th</sup>, 2015
- Seminar Place : Semarang City, Indonesia
- Theme of the Seminar : Transmission Enterprise Asset Management
- Participants : 57 participants from PLN
- Mission Members : 2 experts from Kyushu Electric Power Co., Inc.  
2 experts from Electric Power Development Co., Ltd  
2 secretaries from JEPIC

57 PLN participants of Transmission Engineers attended the Seminar from many regions of Indonesia. After the presentation, we had a fruitful discussion and shared opinions as to Asset management of Transmission in each country.
