## JEPIC Seminar in Laos on “Management of Metering and Billing System” 2015

JEPIC has been conducting bilateral seminar programs with electric utilities in ASEAN countries with strong support from electric power companies in Japan. The purpose of the program is to strengthen the business infrastructure of the electric utilities in ASEAN countries, such as basic and expertise technologies, management and human resources development.

Since 2011, JEPIC has held local seminars for Electricite Du Laos (EDL) using lecturers dispatched by one of the Japanese Power companies as well as providing lecturers in alternate years either from JEPIC or EGAT.

In cooperation with Kansai EPCo., Inc., EGAT, JEPIC and EDL held the seminar in Laos in January 2016, which outlines are shown below;
