JEPIC Seminar in Indonesia on “Power System Operation on Renewable Energy Integration” 2019

JEPIC has been conducting bilateral seminar program with electric utilities in ASEAN countries with strong support from electric power companies in Japan. The purpose of the program is to strengthen their business infrastructure such as basic and expertise technologies, management and human resources development.

JEPIC and PLN, the Indonesian electric power corporation, launched their bilateral cooperation program in 1991 by holding the first seminar in Japan. The first visiting seminar in Indonesia was carried out in 1992. After the initiation, JEPIC and PLN have been continuing annual seminars in Japan as well as in Indonesia.

In cooperation with Hokkaido Electric Power Company and Okinawa Electric Power Company, JEPIC and PLN held the 27th seminar in Indonesia in August 2019, as outlined below;

Date of the Seminar : 27th – 29th August, 2019
