

## JEPIC Seminar in Viet Nam on “Optimization of Hydro Power Plant” 2019

JEPIC has been conducting bilateral seminar programs with electric utilities in ASEAN countries under strong support from electric power companies in Japan. The purpose of the program is to strengthen business infrastructures of the electric utilities in ASEAN countries, such as technical basis, management and human resources development.

JEPIC and Vietnam Electricity (“EVN”) launched their bilateral cooperation programs in FY1998. The first seminars in Viet Nam and Japan were carried out in FY1998 and FY1999 respectively. Since the initiation, JEPIC and EVN have held seminars every year in Japan as well as in Viet Nam.

In cooperation with TEPCO Holdings and Tohoku EPCo, JEPIC and EVN held the 22<sup>nd</sup> Seminar in Viet Nam in October 2019 as below:

Date of the Seminar	: October 7 <sup>th</sup> to 9 <sup>th</sup> , 2019
Seminar Place	: Hanoi, Viet Nam (EVN Headquarters)
Theme of the Seminar	: Optimization of Hydro Power Plant
Participants	: 54 participants from EVN and its affiliates
Mission Member	: 2 experts from Tokyo Electric Power Company Holdings, Inc. 2 experts from Tohoku Electric Power Co., Inc. 2 secretaries from JEPIC
