

FY 2019 JEPIC Seminar in Cambodia on "Combined Cycle Gas Turbine"

JEPIC has been conducting bilateral seminar programs with electric utilities in ASEAN countries under strong support from electric power companies in Japan. The purpose of the program is to strengthen business infrastructures of the electric utilities in ASEAN countries, such as technical basis, management and human resources development.

Since 2006, JEPIC has held local seminars for Electricite Du Cambodge (EDC) using lecturers dispatched by one of the Japanese power companies as well as providing lecturers in alternate years either from JEPIC or TNB (Tenaga Nasional Berhad, Malaysia).

In cooperation with JERA Co., Inc., JEPIC and EDC held the seminar in Cambodia on September 2019, which outlines are shown below;

1. Date of the Seminar : from September 9th to 11th, 2019
2. Seminar Place : EDC hall (Phnom Penh)
3. Theme of the Seminar : Combined Cycle Gas Turbine
4. Participants : 26 participants from EDC
5. Mission Members : 2 experts from JERA Co., Inc.
1 experts from JEPIC
2 secretaries from JEPIC
