

## JEPIC Seminar in Japan for Myanmar 2019

JEPIC has been conducting bilateral seminar programs with electric utilities in ASEAN Countries with strong support from electric power companies in Japan. The programs' purpose is to strengthen ASEAN Countries' business infrastructure such as basic and expertise technologies, management method and human resources development.

JEPIC has invited participants from ASEAN Countries since 1991 (ASEAN Seminar in Japan), and sent lecturers to ASEAN Countries since 1992 (Local Seminar).

We held the seminar for Myanmar as outlined below;

Date	December 9th to 20th, 2019
Theme	Grid Connected Solar Home System in Japan
Participants	5 from Myanmar
