

FY 2020 JEPIC Online Seminar with Cambodia

JEPIC has been conducting bilateral seminar programs with electric utilities in ASEAN countries under strong support from electric power companies in Japan. The purpose of the program is to strengthen business infrastructures of the electric utilities in ASEAN countries, such as technical basis, management and human resources development.

Since 2006, JEPIC has held local seminars for Electricite Du Cambodge (EDC) using lecturers dispatched by one of the Japanese power companies as well as providing lecturers in alternate years either from JEPIC or TNB (Tenaga Nasional Berhad, Malaysia).

In cooperation with Kyushu Electric Power Company, JEPIC and EDC held a remote seminar on March 2021 via internet, as outlined below;

1. Date of the Seminar : from March 9th to April 6th, 2021
2. Seminar Method : Distribution of lecture text / movie
Q & A via email
3. Theme of the Seminar : LNG Supply, Procurement and Risk Management
4. Participants : 24 participants from EDC
5. Mission Members : 1 expert from Kyushu Electric Power Company
1 secretary from JEPIC
