

FY2022 JEPIC Seminar in Cambodia on "Operation and Maintenance of GIS Substation"

JEPIC has been conducting bilateral seminar programs with electric utilities in ASEAN countries under strong support from electric power companies in Japan. The purpose of the program is to strengthen business infrastructures of the electric utilities in ASEAN countries, such as technical basis, management and human resources development.

Since 2006, JEPIC has held local seminars for Electricite Du Cambodge (EDC) using lecturers dispatched by one of the Japanese power companies as well as providing lecturers in alternate years either from JEPIC or TNB (Tenaga Nasional Berhad, Malaysia).

In cooperation with Chubu Electric Power Grid Co., Inc., JEPIC and EDC held the seminar in Cambodia on February 2023, which outlines are shown below;

1. Date of the Seminar : from February 13th to 15th, 2023
2. Seminar Place : EDC hall (Phnom Penh)
3. Theme of the Seminar : Operation and Maintenance of GIS Substation
4. Participants : 39 participants from EDC
5. Mission Members : 2 experts from Chubu Electric Power Grid Co., Inc.
3 experts from TNB
3 secretaries from JEPIC
