

FY 2023 JEPIC Seminar in Cambodia on "Fault Analysis and Mitigation in Power Distribution System"

JEPIC has been conducting bilateral seminar programs with electric utilities in ASEAN countries under strong support from electric power companies in Japan. The purpose of the program is to strengthen business infrastructures of the electric utilities in ASEAN countries, such as technical basis, management and human resources development.

Since 2006, JEPIC has held local seminars for Electricite Du Cambodge (EDC) using lecturers dispatched by one of the Japanese power companies as well as providing lecturers in alternate years either from JEPIC or TNB (Tenaga Nasional Berhad, Malaysia).

In cooperation with Kyushu Electric Power Transmission and Distribution Co., Inc., JEPIC and EDC held the seminar in Cambodia on February 2024, which outlines are shown below;

1. Date of the Seminar : from February 5th to 7th, 2024
2. Seminar Place : EDC hall (Phnom Penh)
3. Theme of the Seminar : Fault Analysis and Mitigation in Power Distribution System
4. Participants : 31 participants from EDC
5. Mission Members : 2 experts from Kyushu Electric Power T&D Co., Inc.
2 secretaries from JEPIC
