Japan Electric Power Information Center

FY2024 JEPIC Seminar in Vietnam

JEPIC has been conducting bilateral seminar programs with electric utilities in ASEAN countries under strong support from electric power companies in Japan. The purpose of the program is to strengthen business infrastructures of the electric utilities in ASEAN countries, such as technical basis, management and human resources development.

JEPIC and Vietnam Electricity ("EVN") launched their bilateral cooperation programs in FY1998. The first seminars in Vietnam and Japan were carried out in FY1998 and FY1999 respectively. Since the initiation, JEPIC and EVN have held seminars in Japan as well as in Vietnam.

In cooperation with Tohoku Electric Power Network (Tohoku NW), The Okinawa Electric Power Company (OEPC), JEPIC and EVN held the Seminar in Vietnam in December 2024 as below;

Date of the Seminar : December 5th to 12th, 2024

Seminar Place : Hanoi, Vietnam

Theme of the Seminar : "Overview of Unmanned Substation and Central
Dispatching Center System"
"DX and Distribution Automation System for Power
Distribution"

EVN Participants : 40 participants

Mission Members : 2 experts from Tohoku NW, 2 experts from OEPC
2 secretaries from JEPIC
