

FY 2024 JEPIC Seminar in Cambodia on "Smart Meter"

JEPIC has been conducting bilateral seminar programs with electric utilities in ASEAN countries under strong support from electric power companies in Japan. The purpose of the program is to strengthen business infrastructures of the electric utilities in ASEAN countries, such as technical basis, management and human resources development.

Since 2006, JEPIC has held local seminars for Electricite Du Cambodge (EDC) using lecturers dispatched by one of the Japanese power companies as well as providing lecturers in alternate years either from JEPIC or TNB (Tenaga Nasional Berhad, Malaysia).

In cooperation with Chugoku Electric Power Transmission and Distribution Co., Inc., JEPIC and EDC held the seminar in Cambodia on November 2024, which outlines are shown below;
