Japan Electric Power Information Center

JFY2024 JEPIC Seminar in Sri Lanka

JEPIC has been conducting bilateral seminar programs with electric utilities in Asian countries under strong support from electric power companies in Japan. The purpose of the program is to strengthen business infrastructures of the electric utilities in Asian countries, such as technical basis, management and human resources development.

JEPIC and CEB, Ceylon Electricity Board, launched their bilateral cooperation programs since JFY2023.

In cooperation with Shikoku Electric Power Company, Inc. (YONDEN) and Kansai Transmission and Distribution, Inc. (Kansai TD), JEPIC and CEB held the Seminar in Sri Lanka in March 2025 as below;

Date of the Seminar : January 14th - January 23th, 2025

Seminar Place : Colombo, Sri Lanka

Theme of the Seminar : "Wastewater Management at Coal-Fired Power Plant"

"Security Initiatives for Power Control Systems"

"Failure Analysis of Transformers for Power Distribution"

"Prevention of defects in power distribution lines"

CEB Participants : 77 engineers

Mission Members : 2 experts from YONDEN, 2 experts from Kansai TD

3 secretaries from JEPIC
